TALIA

Your Packaging Solution

Taliapack is a fully integrated manufacturer of PET & HDPE bottle and Perfume bottle packaging. Since 1999, Our Company has built it self a reputation for delivering high quality products and service to its customers around the world. Our Company has advanced automatic line machines, 8S machines and other automatic CNC production lines.

We have a group of outstanding profesional and technical personnel, with the ability to produce high quality bottles. Our company mainly designs and produces all kinds of high grade glass bottles, such as perfume bottles, aroma bottles and candle cups.

Our product style amounts are nearly 1000 kinds with attractive design and high quality. Our Company also export the product to United States,France, United Kingdom, South Korea and many countries in middle east. For customers seeking customize bottle, we also provide teams for helping for design. Our Company has not only established it self as one of the World's leading suppliers of Bottle but also supplier of Compacts, Pots and Skin Care Jars.

Our commitment to ensuring our customers stay ahead of the competition, we continue to advance our technology and knowledge through extensive Research and Development. This level of commitment is reflected in the innovations we make.
As a responsible, globally recognized manufacturer we adhere and comply with strict Social and Quality systems such as SA8000, ISO9001, ISO14001, ISO 22716 C-GMP.

Our Philosophy is Good Quality, Strong Integerity, Colaboration & Mutuals Benefit.
